The books can be dedicated in "honor of," in "memory of," or in "celebration of," such an occasion as a wedding, bar mitzvah, communion, anniversary or birthday.

Each book will contain a "Bookplate" which will indicate the name of the person who is dedicating the book and the name of the person being honored or remembered or the occasion. An identical plate will be sent to the honoree and to the donor with a letter of acknowledgment. If you would like to dedicate a book, please fill out the attached application.
